As a SPUR participant, you are required to devise a schedule with your SPUR Mentor to ensure you contribute 35-40 hours per week to your research and program-related activities (with the exception of the first and last weeks of the program, and weeks that contain a holiday (May 27, July 4, July 24). This schedule must be in writing and signed by both you and your SPUR Mentor. Your SPUR Mentor (or designee), who serves as your direct supervisor, will receive a bi-monthly email from the OUR to confirm that you are progressing on your SPUR project as outlined in this schedule. You may be asked to produce this schedule as documentation if there is question about your progress. If you do not document this schedule or fail to meet this schedule, you may be dismissed from the program and forfeit the remainder of the SPUR stipend. We hope you find this worksheet helpful as you complete your SPUR Project!
