

VOLUNTEER/RESEARCH INTERN POSITION

Apply online!

At Connect2Health.org

Job Summary: Connect2Health is seeking two Volunteer/Research Interns to serve on the Wellness Bus. Interns help bridge the gap that separate community members from resources that can fulfill their social needs. The Wellness Bus travels to the same location (Midvale, Glendale, Kearns, and South Salt Lake) in the Salt Lake Valley each day of the week to work with underserved communities.

Interns will also have the opportunity to conduct research with a University of Utah faculty member.

Requirements: This position has a minimum of a one-year commitment. Must be 18 years or older.

Part-Time: Interns will serve on the U of U Wellness Bus during university and holiday breaks. Volunteer shifts are Monday through Thursday.

- Fall Semester, 30 hours
- Spring Semester, 28 hours
- Summer Semester, 18 hours
