### Go Global with your Major in South Korea

The U Asia Campus is an ideal option if you're looking to have an international experience while continuing your major in:

- Communication
- Film & Media Studies
- Psychology
- Urban Ecology
- Civil & Environmental Engineering
- Electrical Engineering
- Computer Engineering

Because the U Asia Campus is a University of Utah site, all U courses and credits will appear directly on your transcript. No need to worry about transferring credits or determining if courses meet your graduation requirements.

Also, students are not limited to taking classes in these majors. You can fulfill general education requirements at the U Asia Campus, and even take courses at other Incheon Global Campus universities for transfer credit.

All U Asia Campus business is conducted in English. You do not need to learn Korean to attend.

### TAKE THE NEXT STEP

- 1) **Contact your advisor** (link to <https://advising.utah.edu/academic-advising-appts.php>)  
First, work directly with your advisor to find out how the U Asia Campus fits into your course plan.
- 2) **Apply through Learning Abroad**  
Currently enrolled U students must submit their application to attend the U Asia Campus through the Learning Abroad Office. (Please do apply directly to the U Asia Campus.)

As a student at the Salt Lake City University of Utah campus, you can attend the U Asia Campus for a summer term, a semester, or year-long experience.

Not only will you have convenient access to the U's amazing faculty, staff, and academic culture, but you will also interact with students from all over the world.

Class sizes are small and all courses are taught in English.

You can fulfill general education requirements and also take courses at other Incheon Global Campus universities for transfer credit.
