

FAST FACTS 2020

PROFILE

Founded in 1850, the University of Utah is the state's public flagship institution and top-tier research university. The U is classified by the Carnegie Foundation among the 131 research universities with the "highest research activity" in the nation and is a member of the Association of American Universities (AAU). By nearly every measure, the University of Utah is on the rise—from graduation rates to research project funding and prestigious national rankings and recognitions.
